Arrangements

The following section outlines our commitment to safeguarding in more detail.

Recognising safeguarding and the need to protect

St James Clitheroe recognises that all children and adults are at risk of abuse or harm. We recognise that those who suffer or are at risk of suffering abuse or harm require protection from this and that they may require direct support from St James Clitheroe in accessing such protection. St James Clitheroe is committed to ensuring that our organisation, staff and volunteers are equipped to recognise safeguarding concerns and respond appropriately to them.

Commitment to safeguarding policies and practices

St James Clitheroe has produced this Safeguarding Policy which outlines our ethos and commitment towards safeguarding. This policy will be reviewed annually by the Parish Safeguarding Officer and presented to the PCC for approval. St James Clitheroe has also produced Safeguarding Procedures which detail the practices and procedures to be followed by St James Clitheroe staff and volunteers in response to safeguarding concerns or incidents. The Safeguarding Procedures will be reviewed annually by the Parish Safeguarding Officer.

Commitment to safeguarding representation

St James Clitheroe has a nominated Parish Safeguarding Officer who is responsible for coordinating the church's safeguarding commitments. Contact details of the Parish Safeguarding Officer will be made available to all staff, volunteers, members and visitors. The Parish Safeguarding Officer will be contacted by anyone who has safeguarding concerns and will take responsibility for making decisions on whether to refer these to statutory safeguarding agencies. The Parish Safeguarding Officer will ensure that safeguarding records are held and stored confidentially. The Parish Safeguarding Officer will report confidentially on safeguarding issues to the PCC at least annually. The Rector or Diocesan Safeguarding Advisor should be contacted if there are concerns about the actions of the Parish Safeguarding Officer or if the Parish Safeguarding Officer is not available.

Commitment to safeguarding training and development

St James Clitheroe will ensure Basic and Foundation safeguarding training is provided for all staff and volunteers in line with guidance from the diocese. All existing staff and volunteers will complete basic safeguarding training, and those working directly with children, young people and vulnerable adults will complete Foundation safeguarding training. Safeguarding training must be refreshed/repeated by all staff and volunteers at least every three years. St James Clitheroe will keep a record of which staff and volunteers have completed the basic safeguarding training and the dates that this was completed. The Parish Safeguarding Officer will complete Leadership safeguarding training and renew this every two years to ensure they are up to date with safeguarding developments.

Recording and record keeping

St James Clitheroe understands the importance of recording safeguarding incidents and concerns clearly and confidentially and this forms part of all staff and volunteers' safeguarding training. We will ensure that accurate records are kept of any safeguarding concerns raised and the actions taken. These will be stored confidentially with access only to the Parish Safeguarding Officer.

Safer Recruitment

St James Clitheroe has a commitment to ensuring that unsuitable applicants are deterred from applying for posts, whether paid or voluntary, within the church and its associated groups. St James Clitheroe operates a safer recruitment practice that includes monitoring of application forms, checking qualifications where appropriate, taking up references and requesting disclosure certificates at the correct level where needed.

Support for members, visitors and their families

St James Clitheroe is committed to providing appropriate support for all members, visitors and their families. Safeguarding training for all staff and volunteers, access to the Safeguarding Procedures and advice/support from the Parish Safeguarding Officer ensures that our staff and volunteers are equipped to do this. We understand the importance of people who have suffered abuse or are at risk of this receiving the best support and advice possible. We recognise that there are a range of statutory and voluntary agencies who specialise in supporting people with different issues. We aim to support people in accessing these services in order to meet their needs.

St James Clitheroe recognises its statutory safeguarding duties and the priority that must be given to safeguarding concerns. We will always seek to work with clients, members and their families sensitively and respectfully whilst ensuring that these statutory duties are met and that all adults and children who have suffered or are at risk of abuse are protected.

St James Clitheroe recognises that it has a duty to respond to people who may pose a risk to children and/or adults at risk. St James Clitheroe will always work professionally and sensitively with people who may pose a risk whilst ensuring that safeguarding policies and procedures are followed. We will liaise and work with statutory authorities in addressing risks that are identified in these situations.

Specific Additional Guidance for people working with St James Kids or St James Youth, as far as is reasonably practical:

Toilets

- We aim to avoid having children's events and adults' events running at the same time.
- However, if there is unavoidable overlap time, adults should be asked to use the Disabled Toilet.
- Babies and children in nappies should only be changed by their parent/carer. If necessary, parents should be collected from the service.
- Toddlers can be taken to the toilet by a DBS Checked, adult leader.

Check in and check out

- We use ChurchSuite to check children in to an activity. They are collected by a named adult.

Lifts in cars

- Lifts should be given only in an emergency, and only with an escort, in line with C of E Safeguarding advice.

SEND information

- SEND information should be discussed with the child/young person and their parent/carer.
- Strategies should be shared with other leaders.
- This should be reviewed every 6 months.

Off Site Visits

- Visits need to be risk assessed and approved by the PCC.
- Any activities will adhere to the principles of this policy, but will need to be worked out beforehand.
